Congratulations JohnDOhRawks, you have successfully created a USDA eAuthentication account.

Before you can use your account with Level 2 access you must do the following:

1. Please wait approximately 10 minutes from the receipt of this email before you can activate your account with Level 1 access.
2. Click [ACTIVATE MY ACCOUNT](#)

NOTE: Once you click the activation link, you will have an account with limited access that allows you to review your account information online.

3. Go to the USDA eAuthentication website at the [eAuth home page](#) and click on the "Update your account" link. Log in to review the account information you provided to ensure it is correct (e.g. first name, last name, etc. are the same as your government issued photo ID).
4. Take your government issued photo ID (e.g. state issued drivers license) and present it in person to a Local Registration Authority (LRA) who can activate your account with Level 2 access. Most LRAs are located at a USDA Service Center office. To find the nearest USDA Service Center office, go to <http://offices.sc.egov.usda.gov/locator/app?type=lra>.

We recommend that you call ahead to ensure that an employee trained as a USDA LRA will be available when you plan to visit the Service Center.
